Game birds have always held a high place at the table, whether it's a hunter's prize of roast grouse or the turkey we all eat at Thanksgiving. This book helps you cook them all, plus other small game like rabbits, squirrels and hares. With Pheasant, Quail, Cottontail, you'll cook small game like a pro: perfectly crisp skin over tender breast meat, melt-in-your-mouth braises and confit, stews, sausages, and more. Hardcover. 336 pages. Full color. This is the most beautiful – and useful – small game cookbook ever written.

*A portion of proceeds from the sale of each copy of **Pheasant, Quail, Cottontail** will go to Pheasants Forever and Quail Forever! Hank has always been a big advocate of PF/QF. He is also a LIFE member of QF.*
